 Technomics Inc.	<a href="http://www.technomics.net">http://www.technomics.net</a>	Technomics is a growing, employee-owned consulting firm that specializes in the exciting and challenging field of weapon system cost analysis. Our talented analysts pride themselves in shaping future Department of Defense budgets for the nation's most critical and technologically advanced weapon system programs. Our clients are senior Government decision makers who trust our answers and respect our candor. Our analysts and clients understand that unrealistic cost estimates lead to cost growth, schedule slippage and, in the worst case, program cancellation. Technomics is committed to providing unbiased analysis and advice that mitigates the risk of these unacceptable outcomes.	Technomics facilitates informed decision making and strive to ensure client success through expertise, effective tools, and realistic, defensible quantitative analyses via a corporate environment devoted to integrity, trust, teamwork, innovation and fun.	<a href="http://www.technomics.net/careers">http://www.technomics.net/careers</a>
